Webcast: ADX Investor Briefing 4 July 2012, 9 a.m. CET

Update on the well test in Sidi Dhaher 1

The well test operations at the Sidi Dhaher-1 well onshore Tunisia (Chorbane license) have now been completed. The test results are in apparent conflict with the previous analysis in the fall of 2011.

The management team of ADX Energy Limited, Dr Wolfgang Zimmer (CEO) and DI Paul Fink (CTO), will update on the test results from Sidi Dhaher and the outlook on other ADX projects in a live webcast.

Webcast: Investor Briefing Sidi Dhaher

Date: 4 July 2012, 9 a.m. (Vienna time)

3 p.m. (Perth), 5 p.m. (Sydney)

Web: <http://presstext.tv>

After the presentation of the current project status the ADX-management will be available for questions from investors and media representatives. These can be sent in advance or during the briefing by e-mail to adx@tsp.at.

The briefing will be held in English and simultaneously translated into German.
